**REPORT ON “POSTER COMPETITION-2020”**

The **Department of E&TC Engineering, JSCOE, Pune** organized a poster competition for BE E&TC project groups on **Monday, 13/04/2020**. In this event, the participating groups presented their posters based on the projects designed as a part of their curriculum.

In every academic year college is organizing **National Level Multiple Event Activity “Tech-manthon”** in which the department of Electronics and Telecommunication conducts **Project and Poster Competition “PROXZI”**. But due to Covid-19 Pandemic, the activity of Poster Competition was held specifically for BE E&TC students by following the social distancing and self isolation.

The event was notified on BE E&TC Whatsapp group on 8<sup>th</sup> April 2020. The project groups were asked to prepare poster in CANVA app (CANVA.COM) and submit its soft copy (pdf) to project coordinator on or before Monday, 13<sup>th</sup> April 2020. The prize of Rs 2000 for winner and Rs.1000 for Runner up team was decided by the department.

Total 14 project groups were participated in the competition. The team of external judges namely **Dr. V. V. Shete, HOD, MITCOE, Pune and Dr D. G. Bhalke, COE AISSMS, Pune** were invited for evaluation. The judges along with the Project coordinator Dr. M. B. Tadawalkar and HOD E&TC Dr. C. A. Manajre have declared the following mentioned teams as winner and Runner of the event. The digital certificates are given to all the teams participated in this event. With the consideration of work by these students in such crucial situation of Lockdown, the quality of work done by other two teams and to motivate the students to work in the situation like Covid-19 Pandemic, the prizes have been distributed in total four teams ( i.e. Two winner and two runner up teams have been drawn ) as follows:

Gr. no.	Prize	Name of students with name of project guide	Project Title
G26	First winner team: Cash Prize of Rs. 1000	1) Lokesh G. 2) Obaid 3) Tonde Mahesh	Adaptive Driver Assistance system for smart vehicle
G24	Second winner team: Cash Prize of Rs. 1000	1) Tathe Shivahari 2) Mali Vishal 3) Pathak Apurva	IOT based supervisory system for vehicles
G1	First runner up team: Cash Prize of Rs. 500	1) Mandave Rajkanya 2) Nakawade Amruta 3) Rodage Poonam	Intelligent transport system for collision avoidance in hilly area
G2	Second runner up team: Cash Prize of Rs. 500	1) Satav Abhijit 2) Salve Pratiksha 3) Zodge Harshada	IOT based dam healthcare monitoring system

The outcome of this activity is:

1. Students worked in cooperation by following social distance and as a team leader/member to complete the given task.
2. Students explored their idea of the their project topic with the innovative presentation of
