### **About AARAMBH -2023:**

MCA and MBA Department of JSCOE every year organizes an Induction Program (“AARAMBH”) for newly admitted Candidates of the respective department at the starting of their academic year. The main idea behind organizing such Induction program is to motivate the students to start their higher studies with innovative ideas and inspirations and make them energize for their further studies and other activities.

In this Induction Program (“AARAMBH-2023”) the caption was decided “Importance of Communication and Soft Skills in Corporate World”. The theme behind this caption was to make aware the importance of communication and soft skills in post graduate students. It is observed that, most of the times students are having in detail of knowledge in a specific area, but they are unable to express knowledge and communicate in proper way. So In order to enhance the soft skills and communication skills in students, the departments has decided to organize the expert talks that will encourage students to know the importance of these skills in their life.

Soft skills play a vital role for academic and professional success; they help us excel in the workplace and their importance cannot be denied in the emerging information or knowledge society. Soft skills are needed to deal with the external world and to work in a collaborative manner with one's colleagues.

Overall 200 students from MCA and MBA were present for the Induction Programme.

## **Objectives:**

- ❖ To make aware students about importance communication and soft skills in their life.
- ❖ To encourage students for enhancing their communication and soft skills
- ❖ Conduct effective business correspondence and prepare business reports which produce results.
- ❖ Become self-confident individuals by mastering interpersonal skills, team management skills, and leadership skills.
- ❖ Develop all-round personalities with a mature outlook to function effectively in different circumstances.
- ❖ Take part effectively in various selection procedures adopted by the recruiters.
