Dear All,
Zensar is planning to introduce students to Digital technologies and conducting 2 days training on AI and ML.
All Zensar ESD 2020 (CS & IT) students are to participate in this training.
The scheduled dates are
22nd and 23rd March 2019 at Hadapsar campus.
Attendance is mandatory.
Reporting at 9am sharp.

Request to inform the students.

Regards
Sachin Kangutkar TPO JSCOE

Dear All
To introduce Digital technologies to students, we are planning to conduct 2 days training on AI and ML.
Please note that this would not impact/change our other ESD training's, other ESD training's would continue as per the dates shared by you.

Warm Regards,

1519643303950_logo.png

RPG Foundation Employability Skill Development Program (formerly Zensar ESD program)

AY – 2018-19

Overview

RPG Foundation is currently running this program and it is renamed now as RPG Foundation Employability Skill Development Program. It is Free of Cost training to the students.

Zensar Technologies and RPGFoundation today announced the launch of the first ever Employability Skills Development (ESD) Program for training of fresh graduates towards better readiness for the IT industry, at no cost to the student.

Dr Ganesh Natarajan, Vice Chairman and CEO, Zensar Technologies Ltd and Trustee of the RPGFoundation at the occasion said, "I am pleased to announce the Employability Skills Development (ESD) Programme which aims to address a pertinent concern of the Industry and fresh engineering graduates today. Each year more than 80% of the jobs available for fresh engineers are created by the IT industry. Only 20% of those are fulfilled by engineering graduates who have industry ready talent, because the rest severely lack the skills required for the jobs that are available to them. Zensar's Employability Skills Development (ESD) Program is an initiative to address this talent deficit in our state and we are hopeful that this will be a role model program for the industry. In the first year, we plan to offer the Employability Skills Development program in 30+ colleges across India covering more than 500 students."

Dr. Ganesh Natarajan is also the Chairman of NASSCOM Foundation and leads many industry wide initiatives of change in the society through the Foundation including the recently announced National Digital Literacy Mission.

Pushpall Kapadia, VP and Head of Organisation Excellence Programme at Zensar Technologies said, "NASSCOM reports that only a quarter of engineering graduates are employable by the IT/ITES industry, and even those graduates, undergo a rigorous training program of 3-6 months with their employers after they join the companies. NASSCOM data suggests that the IT industry spends close to USD 0.75 Billion annually on training fresh campus graduates." At the launch of the EDC she said, "This Employability Skills Development Program from the RPG Foundation will be conducted at college premises through the Employability Skills Development (ESD) Centre where the program would render Skills Development training for fresh graduates in partnership with the academia and training partners. The focus of the programme will be to enhance technical, functional and soft skills of fresh graduates for effective working in the IT industry. The program has been designed based on decades of experience that Zensar has with global clientele and through a robust training partner ecosystem."

Prof Goraksh Girje Chairman Board of Studies IT at the University of Pune and Principal, PVG college of engineering Pune said, "When students are quizzed on the various technologies today and what makes one better than the other they are quite ready with all the details, but when you ask the same students to design solutions on their own, or talk about the application of the technology only a handful would be able to attempt it with success. The Employability Skills Development Programme promises to address bridging this knowledge gap so our students can make the connect to the industry relevance of all the theory they imbibe at college."

Through this program, Zensar will extensively deploy its training courseware, around real project scenarios that have been developed and practiced in the Industry keeping the training relevant for the students as well as the Industry they are getting ready for.

Zensar organizations will learn the key elements necessary to effectively design and deliver training to students in order to build the capacity of students as evidenced by:

- Increased effectiveness of students
- Increased efficiency students
- Increased awareness of students regarding job.

Delivering Training

Selection for this training is done on screening test held when the students are in Pre-Final Year. Screening test is in form of Aptitude test and shortlisted students are enrolled for the training. Training is delivered in phased manner in pre-final and final year without hampering the Academics sessions of the students.

Softskills	7 days	Soft skills and Aptitude
		Life skills / Behaviour Skills
		Communication and Presentation skills
		Database Management / SQL
		Java / .NET
		Advanced Java
		Manual Testing
		Automation Testing
		Artificial Intelligence / Machine Learning
		Python
		IoT
Campus Readiness Training	5 days	soft skills, Aptitude, GD, PI

Zensar provides this training for Skill development and as per their requirement they may recruit students as per their requirements.

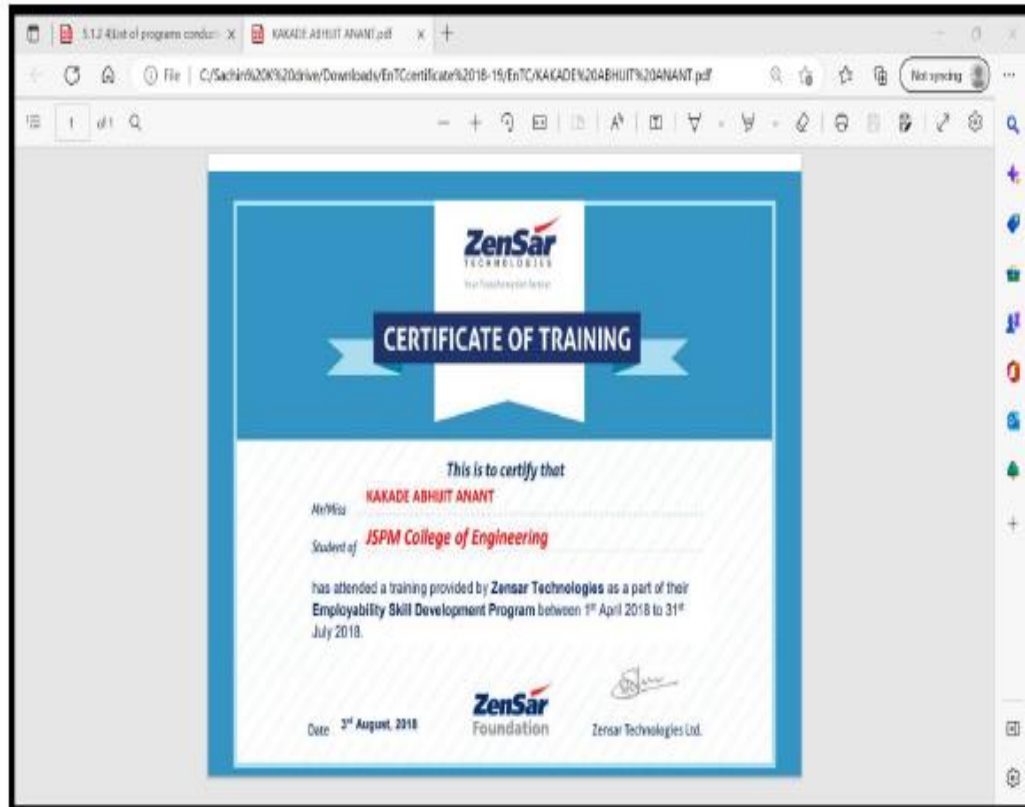

Schedule

	Session Details	
Topic	Duration in Days	Schedule
SQL	6	15th June 2018 to 20th June 2018
Core Java/Dot Net	10	21 st Jun 2018 to 30 th Jun 2018
Softskills	6	2 nd July 2018 to 7 th July 2018

Session Photos : As Geo-Tag photos was not taken. Normal photos are attached.

Certificate:

Outcome

- Students are updated with current Technical topics.
- Trained for presentation skills.
- Are groomed to be Industry ready.

Program Name: One day workshop on Android

JSPM'S
JAYAWANTRAO SAWANT COLLEGE OF ENGINEERING
DEPARTMENT OF INFORMATION TECHNOLOGY

One Day Workshop on ANDROID

ANDROID
(Android Application Development)

Objectives:

- Understand the Android OS architecture.
- Explain the differences between Android™ and other mobile development environments
- Install and use appropriate tools for Android development, including IDE, device emulator, and profiling tools.
- Understand the Android application architecture, including the roles of the task stack, activities, and services.
- Build user interfaces with fragments, views, form widgets, text input, lists, tables, and more.

One Day Workshop on Android

CONTENTS

Session: 1 Introduction to Android

- Open Platform for Mobile Development
- Introduction to JAVA Why java
- Android Platform
- Why Develop for Android
- What Does Android Run On?
- Introduction to Android SDK
- Android SDK Features
- Introducing the Development Framework
- Android Architecture

Session: 2 Practical Session

- How to install java Jdk
- How to install Eclipse IDE
- How to install Android SDK
- How to install Android Plug in
- Hands on android studio

To,
The Principal,
JSPM'S JSCOE,
Pune.

Subject: Approval for arranging one day workshop on "Android on 28th July 2017.

Respected sir,

Department of information technology is organizing one day workshop on Android. The workshop focuses on introduction to Android and Android application development. Also as per discussion in module coordinator meeting this workshop encourages the students of final year to design and implement project on Android. This workshop is useful for TE and BE students for project development.

So we request you to kindly permit us for arranging this workshop. Detailed schedule is attached herewith for your reference.

Subject: Invitation for Workshop on "Android" as a Resource Person

Respected sir,

We, the faculty of IT Dept. JSPM'S JSCOE, Hadapsar are organizing "One day Workshop on Android" for our students on 28th July 2017. The motive behind organizing this workshop is to Learn to develop applications in the latest operating system with practical implementation and begin managing your own cool applications like a professional at this workshop.

After seeing your vast expertise in field of Android we kindly request you to conduct a session of Android in this workshop at our college premises. Kindly let us know your convenient date and time for the workshop. We will be honored to have you for this session.

Thanking You.

Yours Sincerely,

(Prof. S.U. Aayachit / Prof. V.R. Pawar)

Subject: - Letter of Thanks

Dear Sir,

Thank you for giving your valuable time and sharing your knowledge and skills in the workshop on "Android" for T.E. & B.E.I.T. students. This will help our students to learn concepts of android & its uses. We are sure they will remember your suggestions and that will be source of valuable information as they pursue their occupational interest.

Your contributions are greatly appreciated!

Hoping your co-operation in near future.

Thanking You,

Summary Report

JSPM'S

JAYAWANTRAO SAWANT COLLEGE OF ENGINEERING, HADAPSAR.

DEPARTMENT OF INFORMATION TECHNOLOGY

A SUMMARY REPORT OF ONE DAY WORKSHOP ON ANDROID

IT Department has conducted one day workshop on ANDROID on 28TH July 2017. This workshop is organized for TE and BE IT Students. Almost 50 students were participated in this workshop.

Focus on uses of Android application deveopment, platforms and services available along with real world application by Mr.Pradeep Narayankar from PHN technology.

During first session, introduction to android is covered. Second session is practical session on how to develop android applications.

Students enjoyed a vast technical experience with cutting edge technologies throughout the workshop. All session was interactive inculcate large number of student participation. Overall conduction and arrangement is good for workshop.

PO Address : PO 1, PO2, PO3, PO5, PO6, PO9, PO10, & PO11 .

Feedback Analysis of Android Workshop

■ Demonstrates an excellent understanding of key concepts

■ Shows and reflects on the relationships between concepts and topics

■ Comprehensively addresses the topic.

■ Includes descriptions, details, & personal examples for each major concept

■ Has references or Web links for the major concepts presented

■ Excellent classroom applications with innovative techniques, good links to classroom activities

JSPM' Jayawantrao Sawant College of Engineering
Department of Electrical Engineering

Notice

Department of Electrical Engineering is organizing for 6 days Automation Workshop for BE Electrical students from 26th August to 31st August 2019.

Resource person is Mr. Jyotindranath Chaudhari from MPTA Education.

Venue: Class room A 114, Computer labs A111, A116, PLC Lab

Following staff has been allotted the responsibilities for smooth conduct of workshop

Dr. P. N. Gokhale : Coordinator for sessions in BE Classroom and
Computer labs

Prof. D. Padhi : Coordinator for sessions in PLC LAB

Mr. N.Y. Kalagate: coordination of PLC SCADA software loading
(By MPTA) And change in O.S. etc

Miss Akshada Mohite: Assistance in PLC SCADA lab sessions

MOU will be signed and executed by HOD Prof. N.G. Padulkar sir

By taking into consideration the demand of the industry and for making the students ready for the company culture, department of E&TC have collaboration with the companies working in various domains. Students get the exposure to the industry work culture.

Following students have completed the training / Internship program in the various companies

Sr. No	Organization/ Industry	Name of Student	Duration of Training
1	Consul Neowatt Power Solutions Pvt Ltd,	Diksha Rajesh Patange (Team Leader)	Summer 1 week
		Siddhi Pravin Jagtap	
		Shinde Sharda Bhimrao	
		Prajakta Pralhad Desai	
		Atharva Avinash Joshi	
		Rushikesh Bhosale	
		Vaibhav Pandit Talekar	
		Jay Vinayak Shinde	Winter 1 week
		Murunkar Kaustubh Kishor (Team Leader)	
		Nakade Vaishnavi Vikas	
		Pandey Kumari Neha Anil	
		Chauhan Manash	
		Kamble Shruti Madhukar	
		Kamble Shweta Babasaheb	
		Mahapatra Vikas Kumar	
		Ghaywat Vishakha Atrinandan	
		Chavan Siddhi Santosh	
2	Kanchan Tele infra engineering Pvt Ltd, Wanworle, Pune.	Abnave Shivani Vijay (Team Leader)	Winter 1 Week
		Lokhande Pratiksha Vitthal	
		Shinde Shreya Bhagwan	
		Shingate Gayatri Kaluram	
		Sagar Fadare	
3	Becore Renewable Sources Pvt, Ltd	Ale Rameshwar (Team Leader)	Summer 15 days

Guest Lecture Report

11th Webinar on "3D Printing Technology" by Dr. Vijaykumar Jatti on 05.09.2020

Set

Abstract

As part of skill development webinar series, an 11th webinar, is scheduled on Saturday, 5th Sept. on Additive Manufacturing: A Transformative Approach to Industrial Production by Dr. Vijaykumar Jatti at 11 am to 12.30 pm on Google meet.

Contents :

- What is Additive Manufacturing?
- How does additive manufacturing works?
- Additive Manufacturing Processes & technology
- Additive Manufacturing Materials
- Additive Manufacturing Applications

Letter of Appreciation

To,

Mr. PawandeepDhall

Third Year Student

Mechanical Engineering Department

D Y Patil College of Engineering Akurdi, Pune

Dear Pawandeep,

Please accept our sincere appreciation for the inspiring webinar delivered by you to our mechanical students on "**Additive Manufacturing: A Transformative Approach to Industrial Production**" on 05.09.2020. Your expertise in the area, depth of understanding of young minds and your ability to present the subject in such an interesting way, produced one of the most memorable events in our Institute. Our students are very pleased with your valuable inputs and delivery of lecture. They certainly got a very good knowledge of one of the upcoming domain of mechanical engineering.

Thank you for your support, guidance and encouragement you have provided to our students during the lecture. We are also thankful to your guide Dr. Vijaykumar Jatti to motivate you to deliver this webinar.

Our students would definitely like to have further interaction with you in the domain of additive manufacturing.

With warm regards,

Suneeta Phadkule

Vice-Principal – JSCOE, Pune

CC: Dr. Vijaykumar Jatti

Short CV

Name: Dr. Vijaykumar S Jatti

Designation: Dean, Academics

Institute Name: D Y Patil College of Engineering, Akurdi, Pune-44

Qualifications: Ph.D, M.Tech., B.E. (Mechanical Engineering)

MBA-Operation Management

Number of Teaching Experience: 9 years

Number of Industry Experience: 3 years

Number of Research Lab Experience: 2 years

Administrative Portfolios Handled:

- Currently working as **Dean Academics** since 2019, at D Y Patil College of Engineering, Akurdi, Pune.
- Currently working as **IQAC member** since 2019, at D Y Patil College of Engineering, Akurdi, Pune.
- Currently working as **NAAC coordinator** since 2018, at D Y Patil College of Engineering, Akurdi, Pune.
- Worked as **Dean R&D** for one year, at D Y Patil College of Engineering, Akurdi, Pune.
- Worked as **NBA coordinator** for 2 years in Mechanical Engineering Department at D Y Patil College of Engineering, Akurdi, Pune.
- Worked as **NAAC Co-coordinator** at institute level at D Y Patil College of Engineering.
- Worked as **IQAC coordinator** for 2 years, at Symbiosis Institute of Technology, Lavale, Pune.
- Worked as **NAAC coordinator** for 2 years, at Symbiosis Institute of Technology, Lavale, Pune.
- Worked as **member of ABET system** implementation in B.V.B College of Engineering and Technology, Hubli.
- Twice worked as **internal senior supervisor** for conducting SPPU end semester external examinations (Apr/May 2018 and Nov/Dec 2018) at D Y Patil College of Engineering.
- Three times worked as **internal senior supervisor** for conducting end semester external examinations (Apr-2013, Oct-2013 and Apr-2014) at Symbiosis Institute of Technology.
- Appointed as Symbiosis **Entrance Test Representative** by Symbiosis International University for supervising SET-2014 exam conducted at KOTA center on 03.05.2014.
- Worked as team member in **Admission Committee** (2013, 2014 & 2015) at Symbiosis Institute of Technology, Pune.

Journal Publications: 5 (SCI) + 60 (Scopus) + 10 (other indexed) = 75

Conference Publications: 30

Patents File/Published: 11 Filed and 6/11 Published as on date

Books and Book Chapters: 15

Delivered Invited Lectures: 30

Projects Guided: PhD- 3 (ongoing), PG- 20 students, UG- 21 groups

Adjoin Reviewer on Review Panel: 15

Underwent Certification Courses: 10

Organized Training/Workshop/STTP/FDP/Conference/Seminar: 15

Attended Training/Workshop/STTP/FDP/Conference/Seminar: 26

Awards and Recognitions: 12

Strengths:

- Willingness to learn new things, self development and improvement.
- I am capable to lead and work as a team.
- I am highly motivated and target achiever.
- Agile in nature.

Declaration

I hereby declare that the above written particulars are true to the best of my knowledge and belief.

FACE - Campus Reading Training Program (CRT) Overview

AY 2018-19

CRT training programs are run for the students so that they are trained and prepared for facing the campus drive of different companies.

This training provide all the essential aspects required by students (for successful selection into top corporates) such as

- o Communication enhancement – Business English
- o Soft skills brilliance
- o Aptitude – English
- o Aptitude – Maths
- o Aptitude –Reasoning
- o Branch Expertise and Excellence (Technical training)
- o Resume workshops
- o Company Tests
- o Group Discussions
- o Interviews for successful placements

This training comprises of Aptitude training, Technical training and Company specific training.

Delivering Training

This training is conducted for students who are in Pre-Final Year. Training is delivered in phased manner in pre-final and final year without hampering the Academics sessions of the students.

Aptitude	60 hrs	Soft skills and Aptitude
		Behaviour Skills
		Communication and Presentation skills
		Database Management / SQL
		Programming language (C,C++,Python)
		Manual Testing
Company Specific Training	40 - 60 hrs	Training provided with details of round, selection pattern and topics specific to the company drive. This is generally done just before the campus drives (5- 8 days in advance of drive)

FACE training program.

Schedule

Phase I – 2nd July 2018 – 20th July 2018

Phase II – 5th August 2018 – 25th August 2018

Student List:

S.NO	STUDENT NAME	Department	Batch
1	Pratiksha Gadekar	IT	Batch 1
2	Amruta Gujar	IT	Batch 1
3	Darshana Gunjal	IT	Batch 1
4	Sapna Jagtap	IT	Batch 1
5	Kiran Kardile	IT	Batch 1
6	Shubham Latkar	IT	Batch 1
7	Shubham Wagh	IT	Batch 1
8	Arjun Babhalsure	IT	Batch 1
9	Somnath Chenshetti	IT	Batch 1

Session / Training Overview

10	Shraddha Dandnaik	IT	Batch 1
11	Megha Dusane	IT	Batch 1
