NEWS LETTER

**DEPARTMENT NEWS LETTER
2023-24
COMPUTER ENGINEERING. DEPT.**

Vision

"To be a leading educational center grooming computer engineers to serve the society."

Mission

- M1: To develop computer professionals by providing quality education.**
- M2 : To assimilate academics, research and entrepreneurship skills to accomplish real world challenges.**

Head of Department Message

The Department of Computer has recorded consistent improvement in its academic research and placement performance. It offers a range of innovative designed programs whose curricula are constantly updated to meet the changing requirement of the industry and to meet the needs of major Stakeholders.

We believe that our students have been well accepted in their job profiles and have consistently exceeded expectations of the corporate world.

During study at the department are encouraged to take up mini projects to supplement theoretical knowledge with practical experience. They also undertake projects benefiting local industries or dealing with local problems. These projects enable them to understand the relevance of working in a group
