Our Motivators

Dr. R. D. Kanphade
Principal, JSCOE

Knowledge only Liberates and technical education has been the core for the development of society and humanity. Educational Institutions at JSPM are committed for imparting time based and value added quality learning

It is our endeavor at JSPM to make students learn through involvement and commitment. We believe that quality education is the only way for molding students into successful engineers.

Modern technology helps us in efficient learning process. At JSPM, we set up and adopt all available modern methods to see that students learn the fundamentals of the technology they have chosen.

For learning, right environment is required and this is available at all our JSPM campuses.

Apart from classroom teaching and lab works, we believe in overall development of the students. We have adopted the mentor scheme where in each faculty member takes care of fifteen students and has to take the volley of peer group. We emphasize also on presentation skills and innovative projects to be carried out by the students.

At JSPM we make the learning process like a ritual that attracts the students to our institutes. We are totally committed for overall development of student fraternity as we know that they are the only future growth generators of the world.

Positive attitude is very important in our life.

What is inside your mind will always come out, whenever life squeezes us. When someone offends us and if anger, pain, fear comes out of us that means our mind is full of negative things. Life may squeeze us in the role of our parent, brother, sister, children, boss etc.

Once we take away all this negative thing which we don't want in our life and replace them with love, we find living a highly functional life

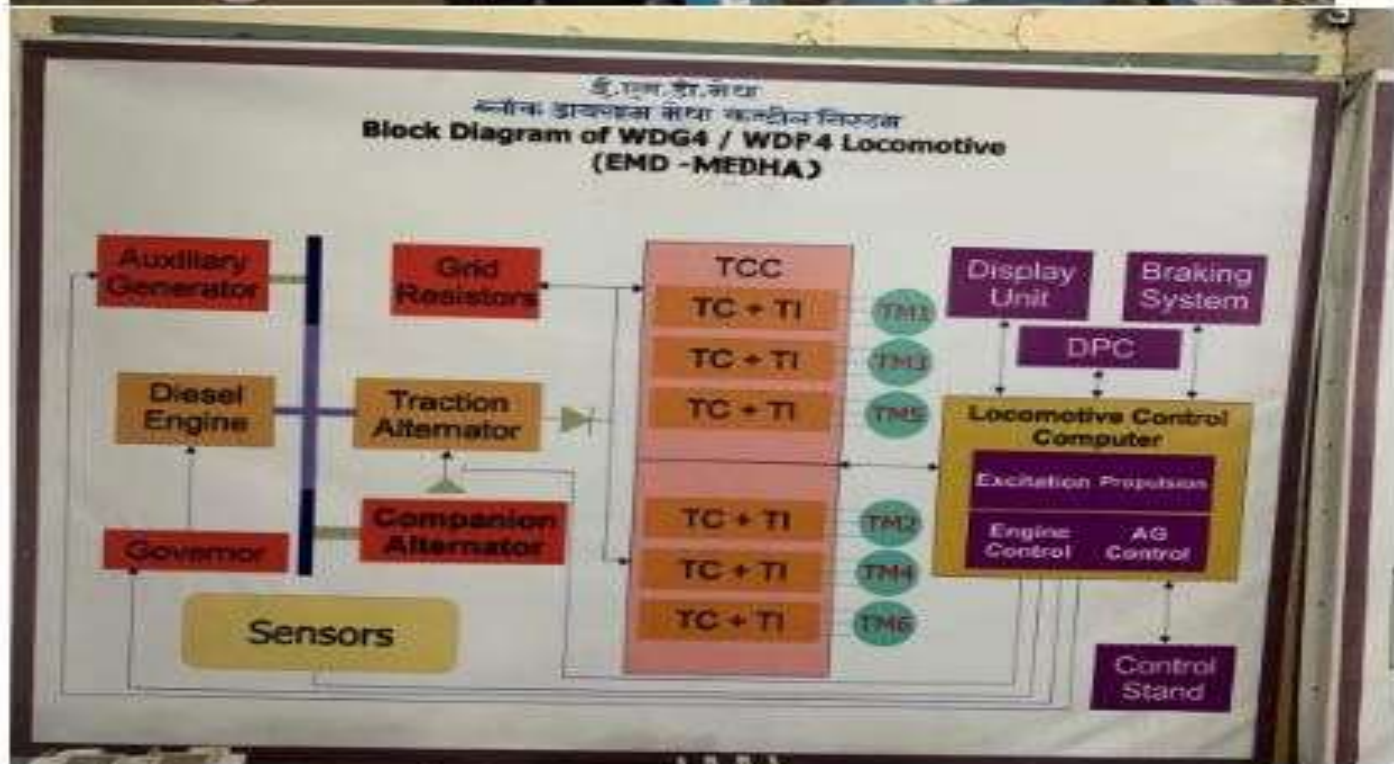

Electrical Engineering is the largest and most diverse technological field in the world. The Department of Electrical Engineering offers undergraduate Electrical Engineering, one of the Core Engineering Branches. With rapid Industrial growth in the Country the requirement of electrical engineers has tremendously increased in Power Sector and Industries in private, and Government companies. This has resulted in opening of enormous opportunities for graduate Electrical Engineers.

The department has 14 faculty members and about 225 undergraduate students and well equipped laboratories. Our faculty members are experts in the areas they teach. Not only do they provide a solid grounding in the academic theories and concepts of their specialty, they also provide the students challenges facing their discipline. They provide the students the right balance of theory and practice. We emphasize team work to give opportunity to each student to benefit from the ideas and intelligence of their classmates.

Dr. P. N. Gokhale, Head
Electrical Engineering Dept

Industrial Visit

Industrial visit of BE Student to Ghorpadi Locomotive Shed

Poster Competition

<p>Engineering Knowledge</p>	<p>Problem Analysis</p>	<p>Design & Development</p>	<p>Investigation of Problem</p>
<p>Modern Tool Usage</p>	<p>Engineers & Society</p>	<p>Environment & Sustainability</p>	<p>Ethics</p>
<p>Individual & Teamwork</p>	<p>Communication</p>	<p>Project Management</p>	<p>Life Long Learning</p>

Project Competition

Glimpses of project assessment by experts

Project Competition

Guest lecture by Prathamesh Chaudhary on BLDC Hub motors

Project Competition

Guest lecture by :Prof. Varsha Lambe on Fundamentals of 8051 Microcontroller

Placed Student List 2023-2024

SR NO	NAME OF STUDENTS	Employer Name	Package (LPA)
1	Amol Shinde	TecLogos	2.5 LPA
2	Dhairyashil Chavan	TecLogos	2.5 LPA
3	Dhanraj Shinde	Kokben Automation	2.5 LPA
4	Sanskruti Gadekar	TecLogos	2.5 LPA
5	Rohan Gawade	TecLogos	2.5 LPA
6	Ajit Mhamane	Metrolab	3LPA
7	Shreyash Lakhe	TecLogos	2.5 LPA
8	Durgesh Jadhav	TecLogos	2.5 LPA
9	Aishwarya Band	TecLogos	2.5 LPA
10	Shraddha Gund	Neilsoft	3 LPA
