Feedback Analysis:

The feedback obtained from the parents is being analyzed and corrective actions implemented will be convened to them. All parents gave their feedback about organization of program, department and faculties on Google form provided to them. Following are the major points they covered in their feedback:

- Very good organization of program.
- GFM scheme is very useful for getting periodic progress of ward.
- Training & Placement activities conducted in department regularly.
- Faculties are more concerned about students (student as a center point).

Action planned:

- Department must go ahead arranging such meets frequently.
- Parents should try to attend such meets on mass scale.
